Co-op Academy Beckfield

Academic Year	2023-2024
Total fund allocated	£17660
Date updated	23.11.23

## Key achievements to date (2022-23)

100% of our children leave Beckfield being able to swim. We have maintained this standard over a number of years.  
Children are now taking part in more competitions and events outside of school.  
We have installed a Multi-Use Games Area in the KS2 playground and improved the provision of the EY outdoor area, which means children are more engaged in physical play and this can be led by staff.

## Areas for further improvement and baseline evidence of need:

Increased participation with local competitions in a wider variety of events, with different demographics of children involved.  
Increased engagement with external agencies to deliver sports clubs outside of the curriculum.

## National curriculum requirements for swimming and water safety

What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	100%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes, children who don't achieve the standard in Year 4, continue to attend swimming lessons as they move into Year 5 and Year 6 if necessary.
